## Experience Certificate

We are proud to issue this working experience certificate to one of our marvel employee **Mr. Umar Farooq Malik.**

He is working as a Site **Civil Engineer** with **Roshan Builders and Developers** from December 2019 to present.

Currently he is working on our residential + commercial project namely "**ROSHAN TOWER**" located on Plot No. 29 MCHS, block 7/8, (2400 sq. yds.) Tipu Sultan Road Karachi (multi storied building of two basements, two parking and ground + 16 typical floors).

In our company as a Site Civil Engineer his major duties and responsibilities are, site management and handling the work as per specification and drawings, daily inspection of project site to maintain quality assurance and quality control, execution of project activities as per drawing, co-ordination with staff, Consultant, site inspectors and etc. His exposure in these areas is very good and he ably handling major responsibilities.

During his employment, we found him to be a professional, knowledgeable and result oriented with the theoretical and practical understanding of work requirements.

We wish him all the very best for his best future career and endeavors.

**Mr. Waseem-Ur-Rahman**  
CEO  
Roshan Builders & Developers

**Shabbir mehdi**  
Project manager
